**Re: Coalition of Concerned Citizens v NYS Board on Electric Generation Siting
APL-2021-00192**

Dear Mr. Abraham:

The Court has received your preliminary appeal statement and will examine its subject matter jurisdiction with respect to whether a substantial constitutional question is directly involved to support an appeal as of right. This examination of jurisdiction shall not preclude the Court from addressing any jurisdictional concerns in the future.

You should file within ten days after this letter's date your comments in letter format justifying the retention of subject matter jurisdiction ("Jurisdictional Response"). By copy of this letter, your adversary is likewise afforded the opportunity to submit a Jurisdictional Response within the same ten-day period after this letter's date. All letters shall be filed with proof of service of one copy of the letter on each party.

If applicable, the disclosure statement required to be filed by corporations and other business entities pursuant to section 500.1(f) of the Court of Appeals Rules of Practice shall be filed with the written submissions discussed above.

The times within which briefs on the merits must be filed are held in abeyance during the pendency of this jurisdictional inquiry. If this inquiry is terminated by the Court, the Clerk will notify counsel in writing and set a schedule for the perfecting of the appeal. This communication is without prejudice to any motion any party may wish to make.

For the Portal, parties to this appeal will use **93203** as the pin number and **APL-2021-00192** as the appeal number for uploading purposes.
